Our philosophy

The Free and Hanseatic City of Hamburg is not just where our company has its headquarters, but it is also our home and represents our cultural heritage. The values and traditions of the city have heavily influenced us as a company right from the start.

Our company philosophy is therefore founded on three important Hanseatic virtues:

- ▶ Reliability
- ▶ A sense of responsibility
- ▶ Fairness

We are passionate about providing excellent service and we give 100 percent commitment to every project and every customer request. We are always able to find the best possible solutions for our customers thanks to our extensive knowledge of the industry, our decades of experience and the honest and friendly way that we conduct our business relationships.

Our services

EXPERIENCE.

We have worked closely with a large number of international printing companies, publishers and manufacturers for many years which enables us to offer a comprehensive brokerage service for stock items, discontinued stock and surplus stock.

A COMPLETE SERVICE.

We provide a complete service and manage the whole process for you. Our primary objective is always to find the best possible outcome for your goods.

EXPERTISE.

We can handle materials in both sheet and rolled formats from all different areas of the printing industry.
